Register early to avoid waitlists!

Bobcat Summer

Bobcat Summer is a traditional summer camp experience for 3 year olds (must be fully potty trained) to rising 8th grade students on the beautiful campus of Millwood School. Each week our Bobcats will explore weekly themes that will include a wide variety of hands-on experiences, outdoor adventures, sports, music, theater, crafts, science experiments, and the best of all some good ol' free play! Millwood's Bobcat Summer is a place where children can meet new friends, develop social, cognitive and physical skills through well planned lessons, and develop confidence with engaging and awesome teachers! *Campers may be grouped according to age.*

BOBCAT SUMMER WEEKLY THEMES

Week 1- Top Secret!

Week 2- World of Magic

Week 3- Kids on The Move

Week 4- Leadership Week

Week 5- Art Creations

Week 6- Nature's Way

Week 7- The World Around Us

Week 8- Science Spectacular

Session 1: June 17th – 21st

PRINCESSES AND SUPERHEROES

Little Scholars

9:00-12:00

JK-K

\$150

Do you have what it takes to save the world? Do you have the sparkle to rule the world? Train to be the superhero or princess you were meant to be! Save the world from evil-doers everywhere in this interactive and high energy camp. The training combines cooperative games, team building activities, literature, educational enrichment activities, and craft projects to ensure your powers will be supreme.

TENNIS

USTA TGA Premier Tennis

9:00-12:00

Rising 1st-5th

\$200

Tennis is a lifetime sport and the US Tennis Association's TGA Premier Tennis Camps offer an unforgettable experience for your child. TGA, which stands for Teach, Grow, Achieve, gets your child moving and having fun right away to help build the foundation for a healthy lifestyle. Our dedicated coaching staff help campers advance their skills, knowledge and passion for the game in a fun and supportive environment. Each week includes skill development, academics, life lessons such as teamwork and sportsmanship, and STEM concepts. We use portable mini-nets, smaller racquets and low-compression balls to get kids in the game. All equipment is provided. Each participant receives a hat, wristband and other prizes!

BEGINNER CODING

Codemoji-Superhero Coders

9:00-12:00

Rising 2nd-4th

\$223.40

Does your child love computers? Creating? This program was made for them! *Beginner Coding* is an exciting hands-on, half-day summer coding program for children in grades 2-4. The mission is simple – teach students to enjoy all things coding and web. Our staff of professional programmers and educators deliver clear, entertaining instruction to ensure students have fun while learning complex coding skills.

All camps are subject to minimum and maximum enrollment requirements. Under-enrolled programs may be canceled. Register early to avoid camp waiting lists!

Session 2: June 24th-28th

ROCK AND ROLL CLUB

Little Scholars

9:00-12:00

JK-K

\$150

We are looking for the next rock and roll star this summer! We will jam out with handmade instruments, learn hip songs and dance the camp away. Your rocking scholars will build their social skills, gross motor and fine motor skills. We will show off our moves at a final performance!

OUT OF THIS WORLD

Little Scholars

9:00-12:00

Rising 1st - 5th

\$150

5, 4, 3, 2, 1 blast off to a galaxy far, far away to learn about Earth and the amazing solar system. Discover all things galactic such as comets, planets, shooting stars, rockets and more. Learn about flight, the adventures of space travel, and participate in a rocket launch!

ADVANCED CODING

Codemoji-Superhero Coders

9:00-12:00

Rising 5th- 8th

\$223.40

If you love everything games, computers and web, *Advanced Coding* is the program for you! Learn how to build a website in a hands-on, half-day summer coding program for students that are in grades 5-8. In the first three days, you'll learn programming terms, wireframing, HTML, CSS and JS basics. Then, you'll put your knowledge to use during the final two days as you build your own personal website! Plus, we'll provide follow-up instructions for the students (and parents) so they can continue learning and improving their website at home.

Session 3: July 8th-12th

S'MORE THAN CAMPING

Little Scholars

9:00-12:00

JK-K

\$150

Hi-ho, Hi-ho it's off to camping we go! Gather around our campfire to hear tall tales, learn about nature and of course make s'mores! We will have a nature scavenger hunt, make firefly jars, learn about constellations and s'much more!

BUILDERS

Little Scholars

9:00-12:00

Rising 1st-5th

\$150

Calling all inventors, creators, builders and designers! Come build some awesome creations with us! We will create our own designs and make structures using recyclable materials, Legos and many other interesting items. Skills necessary... none!

Skills gained: communication, problem solving, reasoning, developing creativity, and team work.

DRAWING FOR DETAIL: OCEANS

Jeanne Tyler

1:00-4:00

Rising K-5th

\$212.76

Learn to draw animals and scenery found in the deep blue sea. This art class offers a unique opportunity for your child to learn to draw from photos using a very detailed, systematic approach. You will be amazed at what your child is able to produce after this class!

Session 4: July 15th-19th

ADVENTURES AT SEA

Little Scholars

9:00-12:00

JK-K

\$150

Ahoy, Mateys...let's set sail on an adventure into the world of mermaids and pirates. Treasure hunts, sand castle building, and mystical ocean discoveries await our pirates and mermaids. This adventure will dive deep into music, arts, language development, and social skills- just don't tell the real pirates!

TENNIS

USTA TGA Premier Tennis

9:00-12:00

Rising 1st-5th

\$200

WHIZ KIDS

Little Scholars

9:00-12:00

JK-K

\$150

Grab your goggles and lab coat; we are on a scientific discovery mission! Explore the world of science through everyday objects such as food and nature. Learn the science behind the things we use in our daily lives. There will be some explosions, a few creations and a whole lot of discoveries. Don't miss out on this mission!

DESIGN THE RUNWAY

Little Scholars

9:00-12:00

Rising 6th-8th

\$175

Design your very own fashion line with us! Budding designers will create a fashion portfolio, create a one of a kind piece with recyclable goods and end the week with a Runway Show! Fashionistas will participate in several design challenges too. Come design your own runway with us!

DRAWING FOR DETAIL: RAINFORESTS

Jeanne Tyler

1:00-4:00

Rising K-5th

\$212.76

Spend a week drawing animals and plant life found in the rainforest. This art camp offers a unique opportunity for your child to learn to draw from photos using a very detailed, systematic approach. You will be amazed at what your child is able to produce after this class!

TENNIS

Session 6: July 29th- August 2nd

DINO DISCOVERY

Little Scholars

9:00-12:00

JK-K

\$150

Do you know which dinosaur was nicknamed “long neck?” Do you know which dinosaur had the biggest head? Join us for a colossal journey into the world of dinosaurs. Build a dinosaur replica and have an archaeological dig just like a real paleontologist. In Dino Discovery, you will have a swamp stomping good time!

COMIC CREATIONS

Little Scholars

9:00-12:00

Rising 1st-5th

\$150

Do you have a knack for drawing? Do you like to write? We have the camp for you! Come join us as we explore the world of comics. We will learn about the different styles of cartooning, create new characters, and build a portfolio of your work.

KIDS ON THE RUN

Little Scholars

9:00-12:00

Rising 6th-8th

\$150

Run, run, run as fast as you can for a camp full of fitness and fun! Don't let the name fool you, we will not just be running; we will play games, have team competitions and a whirlwind of fun! All while learning the benefits of fitness and healthy living.

All camps are subject to minimum and maximum enrollment requirements. Under-enrolled programs may be canceled. Register early to avoid camp waiting lists!

Session 7: August 5th-9th

ART SAFARI

Little Scholars

9:00-12:00

JK-K

\$150

Grab your binoculars because we are going to take a safari around the world! We will visit different countries each day and learn about native animals through literature, games and art. Discover the thrill of the hunt without leaving camp!

FROM GARDEN TO SPOON

Little Scholars

9:00-12:00

Rising 1st-5th

\$175

Let's get our hands dirty as we learn about gardening and food! Garden with us by making take home garden boxes with a variety of herbs and other accessories for your garden. Create some daily delicious treats with healthy foods! Toss in our special ingredient of nature based crafts and you have from garden to spoon camp!

TENNIS

USTA TGA Premier Tennis

9:00-12:00

Rising 1st-5th

\$200

Tennis is a lifetime sport and the US Tennis Association's TGA Premier Tennis Camps offer an unforgettable experience for your child. MID-ATLANTIC

Session 8: August 12th – 16th

MINI MED SCHOOL

Little Scholars

9:00-12:00

JK-K

\$150

Is there a doctor in camp? Join us this summer as we bring Mini Med School to camp! Our little doctors will use stuffed animal patients to take blood pressure readings, give “stitches,” put on a cast and make their own first aid kit, all while learning lots about what doctors, dentists, EMTs and other medical professionals do on a daily basis. Join us in this fun filled camp.

WORLD OF WIZARDS

Little Scholars

9:00-12:00

Rising 1st-5th

\$150

Calling all wizard fans! This is like no other camp you have experienced. We will take a magical journey into the world of wizards. We will design wands, make magic potions, go on a magical creature hunt, play Quidditch, and participate in activities that will astound all Muggles.

STUDY LIKE A SCHOLAR

Little Scholars

9:00-12:00

Rising 6th-12th

\$150

“Be sure to study for the test on Friday!” What does that REALLY mean? Students often need more guidance as they navigate the road of study skills. As your child becomes more independent, we will provide them with the strategies that are most compatible with their learning style to get them organized, taking good notes and studying effectively.

SCIENCE PALOOZA

Little Scholars

1:00-4:00

Rising 1st-5th

\$150

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based camp. We will create biomes from around the world, star gaze at constellations, master meteorology, investigate how things work and dabble in chemistry and physics. Put on your learning cap and grab the art supplies because this STEAM camp will rock your world.
