

MILLWOOD SCHOOL

August 2011

Dear Millwood School Parent:

Millwood School provides many athletic opportunities for our students and we are committed to providing every middle school student with the opportunity to play on our interscholastic teams. Over 80% of our middle school students participate in interscholastic athletics, which include field hockey, soccer, basketball, baseball, golf, and Millwood RoadRunners!

It is through the support of parents and families that our young people are encouraged to participate in athletics and to reach their highest athletic potential. This year we are asking for your support by sponsoring the Millwood Sports Booster Club. All funds directly support our athletic programs by purchasing such items as uniforms, transportation, and sports equipment.

Several traditions that Millwood athletes have enjoyed, will be continued this year. Each athlete will earn a school chenille letter. In addition, each athlete will be awarded a pin for each sport they participate in to attach to their letter.

As a Family Sponsor of Millwood's Sports Booster Club, you will be recognized in the publication of *Millwood Milestones*. Your family will also be included on a Millwood Sports Booster Family Sponsor banner displayed at our athletic events throughout the school year.

This is a great opportunity for you to support our young athletes. We would be honored to have your involvement and support of our athletic programs. If you are interested in becoming a Family Sponsor of the Millwood Sports Booster Club, please complete the Family Sponsor Application form below. Send your completed form and \$100 family sponsor fee to Lisa Bloom, Millwood Development Director. So that we can ensure your family is included on the Family Sponsor banner, please submit your completed enrollment form by Friday, September 28th.

If you have questions, please feel free to contact me at the number listed below or contact Lisa Bloom, Millwood Development Director, at 639-3200. On behalf of our student athletes, thank you in advance for supporting this worthwhile program!

Sincerely,

Sports Booster Committee
