MILLWOOD SCHOOL

Preparation to meet the world
with confidence

Millwood School is a preparatory school for students in junior kindergarten through upper school.

We are known for individual attention, a balanced and challenging curriculum, an exceptional faculty, and a value structure that requires and rewards honesty, integrity, and respect for others.

Millwood's academic programs establish a firm intellectual foundation that continues through each grade level. Our varied extracurricular programs encourage individuality and well-roundedness. Every aspect of school life nurtures the confidence with which our students navigate each stage of their lives, and begin to discover their place in the world.

With our commitment to healthy intellectual, emotional, and physical development, we understand that every child is unique, that no two children learn in exactly the same way, and that an adult's guiding hand must never be far away. In addition to offering a strong academic curriculum, we hold our students responsible for good conduct, and we model respectful, honorable behavior for them in every part of school life.

Millwood parents talk about their children's excellent behavior, about the strong character development the school promotes and about the cultural diversity the school offers. Our graduates go forward with the values of sportsmanship, intellectual honesty, and cooperation they have learned from living them in the Millwood community.

THE BIG TEN

At Millwood School, the responsibility for good conduct rests on the student. Students follow this code for self-discipline. Each student signs this pledge annually.

As a Millwood Student I will be a positive role model by:

- 1 Striving for excellence in scholarship, leadership, and sportsmanship
- 2 Taking pride in my personal appearance
- 3 Striving for acceptable, healthful, and positive behaviors
- 4 Listening while others speak
- 5 Taking pride in Millwood School
- 6 Sharing
- 7 Doing my best to bring honor to Millwood School
- 8 Always showing respect for people and property
- 9 Being responsible
- 10 Using good manners, being kind and courteous and considerate of others.

At Millwood, no one has the right to keep a teacher from teaching or a student from learning. Anyone who chooses to do so loses the privilege of being in class.

FACILITIES

Millwood School sits on a 79-acre campus in western Chesterfield County, adjacent to the Woodlake community. Our classrooms, computer labs, libraries, gymnasium, playground, and athletic fields are exceptional, with room to expand as Millwood grows.

ATHLETICS

Every Middle and Upper School student who wants to play, plays. Our athletic programs develop physical strength and skills, while teaching sportsmanship, persistence, teamwork, and confidence. In basketball, field hockey, soccer, baseball, and running, Millwood's teams are competitive in their leagues.

ENROLLMENT

Millwood typically enrolls 300 students. Class sizes average 14 students, with a limit of 10 in our Junior Kindergarten class. Our small class size allows us to provide individual attention to every student within a strong curriculum tailored for each age group.
