JUNIOR KINDERGARTEN

MILLWOOD

School

A CHILD'S MIND IS THE WORLD'S
TREASURE ...every child precious
...every child unique

WHY JUNIOR KINDERGARTEN?

We believe that carefully planned, supportive early education prepares children to go into kindergarten with the confidence and the skills to do well, both academically and socially.

We believe that school should be an extension of the loving, structured world of home and family. Junior Kindergarten begins the transition, and starts to supply the tools that your child will need to build lifelong habits for learning and living.

FACILITIES

Millwood School sits on a 79-acre campus in western Chesterfield County, adjacent to the Woodlake community. Our classrooms, computer lab, library, gymnasium, playground, and athletic fields are exceptional, with room to expand as Millwood grows.

ATHLETICS

Every Middle School student who wants to play, plays. Our athletic programs develop physical strength and skills, while teaching sportsmanship, persistence, teamwork, and confidence. In basketball, field hockey, soccer, baseball, and running, Millwood's teams are competitive in their leagues.

ENROLLMENT

Millwood typically enrolls 300 students. Kindergarten through 8th grade classes average 14 students, with a limit of 10 in our Junior Kindergarten class. Our small class size allows us to provide individual attention to every child within a strong curriculum tailored for each age group.

TUITION & FEES

Current tuition and fee information can be found on our website, or you may call us at 804.639.3200. Families may apply for Millwood's need-based financial aid program.

WHY MILLWOOD?

When your child is enrolled in Millwood's Junior Kindergarten program, we build a bridge together between home and school. That bridge is supported by continual communication between parents and teachers, by our mutual commitment to first-rate learning, and by consistent support for the development of your child's character.

Our classes are kept small so that we get to know you and your child, and you get to know us. We recognize that each child is an individual and learns in an individual way. Our curriculum challenges each mind and nurtures each spirit.

Because we know that feelings of competence breed success, we celebrate every accomplishment and soothe every stumble. And because we demonstrate and require high standards of courtesy, kindness, and honor, our students feel safe to begin exploring their world and their special gifts in an atmosphere of trust and respect.

Millwood's excellent faculty and diverse community of families work together to set your child's course for a bright, productive future.
