### **Millwood School teacher wins a brand new Chevrolet HHR in school Car Raffle**

Millwood School (adjacent to Woodlake in Midlothian) organized a car raffle which was drawn on April 24 at the annual Activities Fair. The raffle was sponsored jointly by Carter Myers Automotive and Millwood School, an independent school for students from Junior Kindergarten through 8<sup>th</sup> Grade. Tickets were sold to Millwood families, teachers, grandparents, trustees, friends and many other people involved with the school community. Joan Goebel, from Myers Carter Automotive, joined the Millwood School community to draw the winning ticket. The winning ticket belonged to Mrs. Diane Murrell, an English teacher at Millwood School. Diane selected a brand new Chevrolet HHR (a small station wagon) from Heritage Chevrolet. Millwood School would like to thank everyone who supported and bought a ticket for this first ever car raffle.
