

## **Press Release**

### **Millwood School is 20 Years Old**

Millwood School is celebrating its 20<sup>th</sup> year, having been founded in 1989. The JK-8<sup>th</sup> grade, co-ed, independent school in western Chesterfield County got its start in the Sunday Park area of Brandermill, moved to a Genito Rd. office building in 1992, then six years later moved to a 57 acre campus in western Chesterfield County, adjacent to the Woodlake community.

Dr. Louise Bagwell-Robinson, the founding head of school, along with a volunteer board of trustees, has led the school's growth from 20 students to over 250. An announcement was made last spring that the school would be adding a 9<sup>th</sup> grade in the near future, with a commitment to grow through 12<sup>th</sup> grade. Construction will begin soon on an additional academic building that will house the middle school and the first classrooms of the high school.

Millwood's distinct hallmarks include small classes, individualized instruction, physical education, and foreign language starting at Junior Kindergarten. Students are expected to follow a Code of Conduct. Open Houses will be held on October 21, January 13, and January 25. For more information about the school, visit their website at [www.millwoodschool.org](http://www.millwoodschool.org). or call 804-639-3200.
