Mr. Larry McClanahan, senior vice-president of Thompson, Davis, and Co, recently spoke to the Millwood Grandparents' Group. The topic of his discussion was the effect of the presidential election on the economy and the catalysts that can have a positive effect in the future. He stressed the importance of talking with your financial advisor, and being aware of the impact of global markets on our economy.

Larry McClanahan is a parent of a son in 4th grade at Millwood School, and three daughters who are Millwood School graduates.
