

Be A Part Of Millwood School's Social Media

Here's How

Millwood School is active on social media, utilizing Facebook, Twitter, and Flickr to build awareness of our school in the online community. Please be sure to "Like" our public Facebook page and share it with others whom you feel want to know more about what is going on at our school. You may also "Follow" us on Twitter for updates as well as view our various on/off campus activity events on our Flickr page. We would appreciate very much you liking and sharing the information we post on these social media sites.

Here are the links to the Millwood School Social Media profiles that are managed by Millwood School administration:
